DAY 1: FLY TO ANCHORAGE

Our adventure begins with two nights at the Hilton in Anchorage.

DAY 2: ANCHORAGE

View Hood and Spenard Lakes used as "float plane airports" by bush pilots. This afternoon we travel along Turnagain Arm to Girdwood, home to Alaska's premier ski resort and the Alyeska Resort. Journey up Alyeska's Aerial Tramway to enjoy a get-acquainted lunch and incredible views of the surrounding glaciers and mountains. The rest of the day is at leisure in Anchorage. **L**

DAY 3: MATANUSKA VALLEY/ IDITAROD TRAIL

This morning we visit Palmer in Alaska's agricultural region. At the Iditarod Trail Headquarters, we learn about mushing, the state sport, and the Anchorage to Nome sled dog race. Watch for views of Mount McKinley on the way to Denali National Park. **L**

DAY 4: DENALI PARK TOUR

Tour Denali National Park with an expert naturalist guide. Watch for moose, grizzly bear, caribou and Dall sheep in their natural habitat. Tonight enjoy salmon, halibut or prime rib at the Alaska Salmon Bake! We have accommodations for two nights in Fairbanks at the Wedgewood Resort. **B,D**

DAY 5: FAIRBANKS / EL DORADO

Learn to pan for gold at the El Dorado Gold Mine and keep any gold you find. Enjoy lunch at the Historic Pump House Restaurant. Later, board the sternwheeler *Discovery* for a narrated excursion on the Chena and Tanana Rivers. We go ashore at a recreated Athabaskan fishing and trapping camp to learn about Native Alaskan cultures. **B,L**

DAY 6: ALASKA HIGHWAY

View the Alaska Range and an oil pipeline suspension bridge on the way to our lunch stop in Delta Junction. We stay at the Westmark Inn, Beaver Creek, and enjoy dinner and the *Beaver Creek Rendezvous*, a music and comedy revue about life on the Alaska Highway. **B,D**

DAY 7: YUKON TERRITORY

We continue along the Alaska Highway to our lodging in Whitehorse. This evening is free to explore the capital city.

DAY 8: WHITE PASS RAILWAY

This morning we tour the Yukon Beringia Interpretive Centre. We stop to view Emerald Lake and the Carcross Desert. This afternoon we board the *White Pass & Yukon Route* narrow gauge railway and travel through rugged mountain passes. We arrive in Skagway and stay at the Westmark Inn-Skagway. **L**

DAY 9: MS VOLENDAM / SKAGWAY

This morning we board the *ms Volendam* and settle in for a four night cruise. All meals are included aboard ship, beginning with lunch and tonight's delicious dinner. **L,D**

DAY 10: GLACIER BAY

Glacier Bay National Park is an awesome, natural monument to a retreating ice age. This region, once covered in 4,000 feet of ice, has succumbed to nature over the years, causing recession and melting. A variety of earth's natural beauty, including lush forests, ice-capped mountains, and iceberg-dotted inlets, will awe and impress. Witness ice break off and plunge

into the sea, known as "calving" – it is simply thrilling! **B,L,D**

DAY 11: KETCHIKAN

After an early breakfast, we arrive in Ketchikan, Alaska's fourth largest city. We have until the early afternoon to visit interesting shops and galleries along the boardwalks of Creek Street. Enjoy the comforts and convenience of the *ms Volendam* as we re-board the ship and continue our southbound journey. **B,L,D**

DAY 12: INSIDE PASSAGE

Get set for a full day of cruising as our voyage continues through the Inside Passage. There's a variety of shipboard activities to enjoy as participant or spectator. Mingle with fellow travelers at a guest reception this evening. **B,L,D**

DAY 13: VANCOUVER

Our ship docks in Vancouver, British Columbia. Enjoy a social hour and farewell dinner. **B,D**

DAY 14: FLY HOME

We fly home with cherished memories of our Alaskan adventure.
